16th-17th October 2017 About the GDR Round Box: World Bank Finance Ministry has successfully completed its second round of government debt and risk management (GDRM).. This has provided a clearer picture of the overall risk for the state and the DNB and limited overall exchange.. Interest rate risk by ensuring that the government does not borrow in one currency while DNB invests in another currency, and significantly reduced fluctuations in the state budget as a result of currency fluctuations interest rate.
